

ASTROTM

CEILING ACCESS PANELS

Tired of tiles crumbling and making a mess?

Put more hours into your day with our easy-install access panels, designed to make your job safer and save you time. Our panels are designed to create a quick, easier and cleaner way to access your ceiling.

Making grid ceiling access easy, quick and hassle-free, through innovative design

Australian made and owned, easy access ceiling panels for commercial properties.

A one-stop solution.
Cleaner. Easier. Safer to install.
